**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I had comcast and it was terrible. Slow internet, bad customer service, low uptime, high costs you name it. I chose to use my own equipment because theirs would have significantly slowed down my network, yet there were hundreds of hidden fees that crept up when I tried to end the service.

And then Sonic came around. I'm paying half the price for twice the speed, and as Sonic is servicing more and more of san francisco, I see that comcast has also taken the effort to offer faster speeds at more reasonable rates. Please keep ISPs competitive!
